FOREST FIRE WARDEN'S REPORT

Dear Mr. & Mrs. & Family:

Once again our region is covered with snow and the forest fire hazard has disappeared, but to your local forest fire warden it is just a time to check over his equipment and check the causes of the fires he has had. We know that our biggest cause of forest fires are careless people burning rubbish, brush or debris without a permit or in an unsafe place. When this fire gets away from them and help is needed to put it out they then plead that they did not know a permit was required for the incinerator or this type of burning. Well, the old saying, ignorance of the law is no excuse, fits in here very well. The forest fire laws have been in the newspapers, on the radio and on television and are on some posters, and there should be no excuse for not knowing a permit is required for all outdoor burning. In this year's report we are going to quote the law of the State of New Hampshire in regards to permits, this is found in Chapter 233 - Section 35 revised laws, State of New Hampshire.

Permits

- 35b No person, firm or corporation shall kindle or cause to be kindled any fire or shall burn or cause to be burned any material, and no city or town shall kindle or maintain a fire or a public dump in or near woodlands, pasture, brush, sprout, waste, or cutover land or where fire may be communicated to such lands, except when the ground is covered with snow, without first obtaining a written permit from the forest fire warden of the town where the burning is to be done unless the same is in the presence of the warden or his agent.

Liability for fires without permit.

- 36 Any person causing or kindling a fire without permit of the forest fire warden when such permit is required and any person by whose negligence or the negligence of his agents any fire shall be caused, shall be liable in a civil action for the payment to the town or the state or both, of the expenses incurred by the forest fire warden or his deputy warden in attending or extinguishing such fire.

Penalties

- 38 Any person violating any provisions of section 35 shall be fined not more than two hundred dollars or imprisoned not more than sixty days.

Number of fires 1. Acreage burned 1/10.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Effingham:

During the school year 1957-58 the teachers in the Effingham School were Miss Gladys Leavitt, grades 5 to 8, in the Center School; and Mrs. Linnie Giles, grades 1 to 4, in the Falls School. At the end of the year Miss Leavitt retired after serving the town faithfully and well for over forty years. The community expressed its appreciation of her work through a fine tribute at her last graduation exercises in June. Mrs. Giles resigned at the end of the year to accept a position elsewhere. Both these teachers will be missed by the town.

In September, 1958 Mr. and Mrs. Stephen Valla, of Laconia, N. H., assumed the teaching positions; Mrs. Valla in the Falls School, and Mr. Valla at the Center School. Both Mr. and Mrs. Valla are graduates of Keene Teachers' College and have had some years of teaching experience.

Total enrollment in the Effingham Schools was 53 pupils with an average membership of 46. The schools opened in September, 1958 with an enrollment of 56 pupils. The current census reports shows that the probable enrollment of September 1959 will be 26 pupils in the Falls School and 31 in the Center School.

There was a total enrollment of 22 pupils in Kennett High School, with an average membership of 20.4. The tuition rate was \$340.00. The high school enrollment for the current year is 20 pupils, and the tuition rate is \$350.00. Seven elementary

pupils are enrolled in the Ossipee Central School. The tuition rate is \$210.00.

The school health service continues under the capable direction of Mrs. Rebecca Sanborn, R. N. Physical examinations were given this year by Dr. Dutton with Mrs. Sanborn's assistance.

During the past year several of the school districts in this supervisory union have been conducting a Cooperative School Study. Serving on the study committees, in addition to the three school board members, are the elected members, Mr. Raymond Kennard, Mr. Percy Taylor, and Mrs. Marion Kirker. A report of the study has been published and distributed.

The cooperation of the school board, teachers, and citizens is sincerely appreciated.

Respectfully submitted,

EVERETT H. BRASIER
